If you re lost in love, you need The A Z of Us, a novel that answers those age-old questions: Why can t a man and woman just be friends? Is it really a good idea to have sex with your best friend s sister? How do you tell your husband that you don t love him anymore? Ian thinks he has it all mapped out. He has a dream job as a travel writer and he s dating his dream woman. Everything seems to be on track until his best friend Gemma calls and he finds himself in unexplored territory, heading for a place where me might just become us . Gemma thinks she ll never need a map again. Not yet thirty, she s ended up in exactly the right place just married, with a great career, and a fabulous almost-renovated house. But when she tells her husband she doesn t love him anymore, Gemma is forced to embark on a journey of the heart for which no maps have been written. The A Z of Us is a heart-warming, funny and wise tale of the brave new world of relationships and what to do when the old maps no longer show us the way.
