Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Team Sleep is the eponymous debut studio album by American alternative rock band Team Sleep, largely produced by Greg Wells (Rufus Wainwright, Creeper Lagoon, and Mika). It was released in Europe on May 9, 2005 and a day later in the United States through Maverick Records. The debut album by Team Sleep was supposed to be released in 2003 but was scrapped due to the premature leakage of demos from the album onto the internet. The band split for a brief period of time before joining together and making material for a new album. Issues with Maverick Records as well as commitments with other projects (most specifically singer Chino Moreno and his band Deftones) delayed the release of the album numerous times.
