## ACCOUNTING PRACTICE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Accounting Practice The idea prevalent some years ago, that an accountant was simply a bookkeeper out of a job, has long since been dispelled. To-day the business has attained a high standard as a profession. To check a set of books, and simply verify the clerical accuracy of the work, is not auditing in the true sense of the word. There are methods requiring little work which make such checking unnecessary. The accountant, while he understands bookkeeping, is more than a bookkeeper. He must be capable of dealing with the difficult problems of business and he must know how to interpret the intricacies of affairs so that a layman can comprehend and be guided by his observations. The accountant must know theory in order properly to understand his business; but a man able and proficient in theory is not necessarily a competent accountant. He must acquire practice by actual experience, in order to develop ability as an accountant; for it is the art of applying theory in practice which makes the theory valuable. In the natural order of things, we learn from the experience of others, and the advantage each generation has over the preceding one lies in the knowledge gained by the experience of the preceding generation. The business of accounting has developed so rapidly that the reference books, essential to the business as a profession, have not kept pace; consequently the books available are not on a par with the reference books of other professions. For many years, it has been the duty of the author to supervise the work of others, and during his experience he made notes of the best methods under..
