Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Blue Remembered Heels, Nell Dixon, Life is sweet for con-woman Abbey Gifford until, one ordinary Wednesday afternoon, she's struck by lightning. They told her she might have some bizarre side effects, but nothing could have prepared Abbey for the fact that, since that fateful day, she can never tell lies again. Truthfulness is a big drawback for a con-woman, especially when suddenly she's being followed by the suspiciously gorgeous detective Mike Flynn. If only Abbey could stop blurting out secrets every time he asks her a question! And if only Mike knew the real reason Abbey spends her life tricking other people out of their money.
