Holding One's Time in Thought: The Political Philosophy of W. J. Stankiewicz

By Bogdan Czaykowski, Samuel V. LaSelva

Ronsdale Press. Paperback. Book Condition: new. BRAND NEW, Holding One's Time in Thought: The Political Philosophy of W. J. Stankiewicz, Bogdan Czaykowski, Samuel V. LaSelva, This collection of essays evolved from a colloquium held at the University of British Columbia in 1995 to honour the eminent political scientist and aphorist W.J. Stankiewicz. A theorist and consultant on political decisions, Stankiewicz has been noted for his ability to bring the classical concepts of political science into the decision-making rooms of everyday political action. He has written on concepts such as democracy, ideology, liberalism, equality and justice, authority and sovereignty, violence and social change, property and happiness. Among the distinguished Canadian and American contributors are Alan Cairns, Jean Bethke Elshtain, George Feaver, Barry Cooper, Anthony Parel, Arpad Kadarkay and Ian Ross. The contributors, some of whom were Stankiewicz's students, have not only explored and extended the central ideas of Stankiewicz's thought; they have also applied them to today's political situations. The volume concludes with two of Professor Stankiewicz's hitherto unpublished essays (on natural law and ecology, and truth in politics).

Reviews

It becomes an remarkable publication that we have at any time study. It is among the most remarkable pdf i have go through. I am just easily can get a satisfaction of reading a published book.

-- **Alayna Ankunding DVM**

A must buy book if you need to adding benefit. It really is writter in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.
